

Field Trip Lunch Ordering Guidelines

Students must be notified they have the option to have a school lunch for field trips whether they qualify for free, reduced, or are a paying student.

Code of Federal Regulations, Title 7 CFR Part 210.10[g], requires that a “nutritionally adequate meal” be available for every student on any day for which ADA is collected

Nutrition Services will pack a lunch for your students!

1. Please distribute to students the sack lunch request form with the permission slip.
2. Please let your cafeteria lead know about your field trip as soon as you know the plan (a copy of the permission slip will provide all the information needed).
3. Please turn in the sack lunch request form 5 days before the planned field trip, or earlier so we can place the food order in advance.
4. Let Nutrition Services do the rest!

If you have additional questions, please contact the Nutrition Services Office at 562-210-2410
